

Introducing our Breeder Program

Since 1995, the breeder program has provided Canadian pet professionals with a variety of dog & cat diets that deliver optimum balanced nutrition for results in the show ring, the field or the backyard.

Join the breeder program and take advantage of the special incentives and discounts, which save you money and ensure that every puppy or kitten that you care for develops to its full potential through the superior nutrition offered by Trow Nutrition products.

To register and begin enjoying the benefits of our breeder program, simply complete this form.
